TRANSITION SCHEME FOR REGISTRANTS OF CERTIFICATE COURSE ON INTERNATIONAL TAXATION WHO ARE INTERESTED IN PURSUING POST QUALIFICATION DIPLOMA IN INTERNATIONAL TAXATION

To help our members to build capacities in the area of international taxation, ICAI through its dedicated Committee on International Taxation was conducting a certificate course on International Taxation for its members. After successfully organizing certificate course for numerous years, the Institute of Chartered Accountants of India, with the approval of Ministry of Corporate Affairs, brought out a Post Qualification Diploma in International Taxation for its members in the year 2016.

On commencement of Diploma course, the Certificate course on International Taxation was discontinued. Requests were received from registrants of Certificate course to bring out a scheme for them so that they can pursue the Diploma course.
