As you may kindly be aware that the Foreign Chapters abroad represent the extended arm of the Institute and are its ambassadors. Your efforts and initiatives in the professional developmental activities for the benefit of the Indian Chartered Accountants through formation of a Chapter in jurisdiction you reside would not only add to the knowledge and skill upgradation but at the same time will bring the Indian accountancy profession visible to the outside World and creating a bonhomie.

The Institute is taking initiatives in promoting the Indian Chartered Accountants as a “ brand” to promote various range of value added services which can be provided by our members abroad through formation of a Chapter aboard and you as an integral part of the Chapter of Indian Institute would play a vital role in promoting the Indian chartered accountancy as preferred brand worldwide highlighting your contribution to the cause of local issues in your country.
