

## MISSION

The 21st Council of the Institute of Chartered Accountants was constituted on 12th February, 2010. The Council elected Mr. Amarjit Chopra and Mr. G. Ramaswamy as the President and Vice-President respectively for the year 2010-11.

The 21st Council shall strive to attain the following:-

- Efficient Administration through IT initiatives
- Enhancing quality of Board of Studies including the course on General Management Communication Skills (GMCS)
- Providing coaching classes either through IT medium or through physical structure to the students.
- Re-orienting the examination system in a manner to test the application skills of the students.
- Capacity building of small and medium practitioners through modified networking, merger, de-merger schemes and also by making them available the knowledge portal at negligible costs.
- Optimum utilization of Centres of excellence.
- Undertaking research projects for Industry and Government particularly in such fields where the Institute can come up with some suggestions with regard to optimum utilization of scarce resources of the economy.
- Creating an atmosphere for the congenial relationship with all sisters institutes.
- Creating physical as well as IT infrastructure.
- Ensuring speedy and effective Disciplinary mechanism.

- Enhancement of professional opportunities for members both in practice and as well as in industry and at the same time ensuring maintenance of quality of services by the member through updation of their knowledge through Continuing Professional Education Programs.
- To act as catalyst and facilitate the implementation of IFRS as per the commitments made by the Central Government.
- To create awareness amongst members and public at large with regard to the GST thereby facilitating the implementation of the same by providing suggestion to Government in preparing formats for ensuring compliance with the GST legislations.
- Making suggestions to Central and State Governments on various economic and commercial legislations.
- Coordinating with various regulations like SEBI, IRDA, RBI etc. to ensure the compliance stipulated by them.
