

## Are you geared up for Quarterly Consolidation?

From 1st April, 2019, all listed companies having subsidiaries are required to submit quarterly/ YTD consolidated financial statements to the Stock Exchange. Quarterly consolidation is a complex activity and doing it manually using spreadsheets is error prone.

### eMerge, a Robust Solution for Financial Consolidation

- Prepares financial statements as per IND AS
- Automatically computes goodwill / capital reserves on consolidation, non-controlling interests and FCTR
- Instantly reflects last minute audit adjustments in the consolidated financial statements
