

CA Community Lost Two Lives in 7/11 Terror Attack

When the Terrible Tuesday shook Mumbai, it had sent shockwaves not only across India but across the globe. The CA fraternity around the world was no exception. More particularly because two of the more than 200 innocent lives lost in the cowardly act were those of Chartered Accountants—Laxmichand Nanji Gala (55) and Ashok Vaghela (40). A CA student Chirag Arvind Chauhan was seriously injured. As we pay tributes and salute their families for bravely coping with the losses, we are publishing brief profiles of these members and the CA student to enable the membership at large to express solidarity with the bereaved families.

Laxmichand Nanji Gala

The 55-year-old talented and hardworking professional and active social worker, Laxmichand Nanji Gala died in the explosion in the first class compartment of the local train near Matunga in Mumbai. Having his own accountancy firm in Dadar, he had left his office early to watch his favourite Kutchi play with his wife Urmila (51) in Borivali, but only to fall prey to terrorism on the way. He was grievously injured and breathed his last while being taken to Sion Hospital. He is survived by wife Urmila, daughter Falguni and son Chirag.

His life was one of the many inspiring success stories of Mumbai. Hailing from Chhasara village in Gujarat, he had lost his father when he was just two. He was brought up by his mother—she worked in the fields. He finally managed to get admission in Mumbai's prestigious NM College of Commerce and Economics. From becoming the first CA of his village to switching jobs for 13 years and finally establishing a successful CA firm in Dadar in 1986, his life had many inspiring twists and turns. In his last days, he was busy getting his new flat in Dadar ready to save himself the daily commutes from Borivali to Dadar.

His distraught wife is slowly and gradually coming to terms with the ultimate loss while his son is managing operations of his firm.

Ashok Vaghela

The 40-year-old Ashok Vaghela died in the Khar-

Santacruz blast on way to his home in Borivali's Rustomjee Complex (Mumbai). Known for his hard work, friendly nature and professional talent, he had his own CA firm in Mumbai. Mr. Vaghela is survived by wife Yogita and two children—12-year-old son Kewal and 9-year-old daughter Shraddha.

Born to a small-time embroidery businessman, he had spent his childhood in a two-room apartment in Ram Niwas chawl in Borivali East. But he always nurtured a dream to bring in better days for him and his family. He toiled hard in studies and kept chasing that dream even as a commerce graduate from Parle's Chinoy College. And that dream began to be realised when he bought a flat in Rustomjee Complex a few years ago when his CA firm progressed. He was the treasurer of the building's society.

His bereaved family, particularly the housewife Yogita, is trying hard to cope with the grave loss of the head of the family. In fact, Mr. Vaghela had already initiated Yogita into a business venture as an agent of mutual funds.

Chirag Arvind Chauhan (CA Student)

CA student Chirag Arvind Chauhan, doing articleship training after passing PE-II was seriously injured in the 7/11 blasts. He commenced articleship training in August 2005. In spite of the fact that he is completely paralysed below his chest, his enthusiasm to become a Chartered Accountant is intact.

ICAI's GESTURE

Besides sending condolences to the bereaved families an ad hoc grant of Rs. 1 lakh was sanctioned to the families of the deceased members. On receiving further information, the ICAI will offer assistance for sustenance and education of the children of the family. ICAI President CA. T.N. Manoharan called on Mr. Chirag Chauhan at Hinduja hospital and assured him of all help for his education and to enable him to qualify as a Chartered Accountant.

Important Council Decisions Guidelines for Practice in Corporate Form of Practice (261st meeting)

As per the existing Code of Ethics, a member in practice is permitted generally to be a 'Director Simplificator' in any company and as such he is not required to obtain any specific permission in this regard irrespective of whether he and/or his relatives hold substantial interest in that company. However, a member in practice shall not hold the position of Managing Director or Whole-time Director of a Body Corporate if he and/or his relatives hold substantial interest in such concern. In the alternative, a member in practice can occupy such positions by surrendering his Certificate of Practice (CoP). Where substantial interest is not so held, a member in practice can hold these positions only after obtaining specific and prior approval of the Council in which case the member will be regarded as being in part-time practice and therefore, can neither do attest function nor he can train articulated/audit assistants.

To empower the members to face the emerging challenges in the service sector as well as to equip them for the opportunities in the non-audit service area, the Council at its 261st meeting held from 1st to 3rd August, 2006 reviewed the aforesaid position and in the interest of the profession, decided to allow members in practice to render Management Consultancy and Other Services in Corporate form, subject to the guidelines to be issued by the Institute in this regard.

The Council decided to allow members in practice to hold the office of Managing Director, Whole-time Director or Manager of a body corporate within the meaning of the Companies Act, 1956 provided that the body corporate is engaged exclusively in rendering Management Consultancy and Other Services permitted by the Council in pursuant to Section 2(2)(iv) of the Chartered Accountants Act, 1949 and complies with the conditions(s) as specified by the Council from time to time in this regard.

The members can retain full time Certificate of Practice besides being the Managing Director, Whole-time Director or Manager of such Management Consultancy Company. There will be no restriction on the quantum of the equity holding of the members, either individually and/

or along with the relatives, in such Company. Such members shall be regarded as being in full-time practice and therefore can continue to do attest function either in individual capacity or in Proprietorship/Partnership firm in which capacity they practice and wherein they are also entitled to train articulated/audit assistants.

The name of the Management Consultancy Company is required to be approved by the Institute and such Company has to be registered with the Institute. The guidelines alongwith the prescribed application forms for approval of name and registration, provisions of ethical compliance and other details have been issued and the same will come into force w.e.f 1.10.2006.

By abundant caution, it may be clarified that no audit practice can be done in Corporate Form. The consultancy practice hitherto done in Individual or Firm Status alone is now intended to be permitted in Corporate Form also.

T.N Manoharan, President of ICAI and Dr. Tayeb Kamali, Vice Chairman of CERT. As per the MoU, ICAI and CERT have agreed to –

- (i) Conceptualise and devise an international curriculum in accountancy integrating local needs keeping in mind various requirements of different levels of accountancy and audit professionals.

It was a historic moment for the ICAI and

Invitation to Empanel as a Resource Person for Post Qualification Course in International Trade Laws & WTO

With a view to develop a base of expertise and specialized skills amongst the membership of the Institute in various agreements of WTO, the Committee on Trade Laws and WTO of The Institute of Chartered Accountants of India had introduced a **Post Qualification Course in 'International Trade Laws and World Trade Organisation' for the members of the Institute i.e., Chartered Accountants.**

The various subjects forming part of the Theoretical Knowledge with examination under Part I of the Course are: -

Group A	
Paper I	Introduction to International Trade
Paper II	GATT, Rules of Origin and Trade Related Agreements
Paper III	GATS, TRIPS and TRIMS, SPS and Dispute Settlement and Review Procedures in WTO
Group B	
Paper IV	Domestic Trade Laws
Paper V	Anti-dumping, Anti-subsidy and Safeguards - Laws and Practice
Paper VI	Competition Laws and Policies

Since issues involved in the field of WTO and its various agreements are complex and difficult to understand without proper guidance of, or interaction with the experts in the field, an interactive

programme called Personal Contact Programme (PCP) is organized for 30 (presently) days every six months in all the aforesaid subjects for the candidates registered for the Course.

Since the candidates registered for the Course are spread throughout the country, the need was felt to have a common pool of resource persons spread throughout the country who are experts on one or other subject matter of the Course as mentioned above.

So, if you have the relevant knowledge and expertise on any of the subject matters of the Course, the Committee on Trade Laws & WTO cordially invites you to empanel yourself in the elite list of speakers maintained by it. Suitable honorarium would be paid to the resource person delivering lecture/presentation during the PCP. Besides this, you may also be assigned one of the various research projects proposed to be undertaken by the Committee on Trade Laws & WTO in the above-mentioned fields.

Interested persons may please write to ctlwto@icai.org sending therewith a detailed profile, contact details and area of expertise.

Post Qualification Course in International Trade Laws & WTO — Determining the Future

It is always easy to pursue the set course of career progression by following the standard course but visionary is one who defies the set course and sails through the uncharted waters where one has never ventured or only a handful have, and comes out excelling in that field. World Trade Organisation regime and related issues is one such field.

For this you need to join the Elite Club of people who know about the Global Negotiations Scenario and are in a position to understand and advise about the nitty-gritty's of Anti-Dumping, Anti-Subsidy, Safeguard, Trade Related IPRs, Dispute Settlement, International Commercial Arbitration,

SPS, Export Import Policy & Procedure, GATS and a host of complex but interesting issues involving WTO and its various Agreements, and of course, the corresponding domestic laws.

The ICAI's Post Qualification Course in International Trade Laws & WTO gives an opportunity to its Members to see an altogether new world of global trade scenario by exposing them to understand the origin and basics of WTO, its various agreements like Agreement of Anti Dumping, Agreement on Subsidies and Countervailing Measures, Trade Related of Intellectual Property Rights, Trade Related Investment Measures, International

Honest Disagreement is Often a Good Sign of Progress.

Commercial Arbitration, Dispute Settlement Mechanism and other interesting topics. Members who register for the Course get an opportunity to interact with eminent experts in the respective fields to understand the intricacies of these issues and practical aspects thereof during various stages of the Course. Since its launch, the Course has seen numerous innovative learning tools & technologies, which have added further value to the Course.

There are plethora of opportunities in the new international trading regime. Chartered Accountants would have to re-engineer their practical skills to cope with the new challenges. To re-engineer a Chartered Accountant's practice, one would need to choose a particular area of interest in the field of WTO, which has the likelihood of attracting clients. After collecting the necessary reference material and after analyzing case laws on WTO disputes with respect to select agreements, Chartered Accountants

would be in a position to take on assignments. These assignments will not be confined to the core areas of accountancy but would emanate from the entire gamut of professional services.

Opportunities would primarily exist at three fundamental levels:

- At Government levels
- At Revenue Authorities' level
- At Business Units' level

For details of possible opportunities, please visit the website of the Institute at www.icaai.org by following the link Members>Courses>ITL&WTO>FAQ or alternatively at www.icaai.org/icairoot/members/courses/faq_ITL_WTO.jsp?icaideptid=14-29.

Registration for the Course is open throughout the year. Candidates shall be eligible to appear for Part I Examination to the Course only after six months of registration and specified minimum attendance at PCPs. Therefore, **for appearing in the May, 2007 Examinations for Part I of the Course, the last date for taking registration in the Course is October 31, 2006.**

ELECTION - 2006

CIRCULAR

Dear Contesting Candidate,

Sub: Election Code of Conduct – Compliance regarding

You may be aware that the Chartered Accountants (Amendment Act) 2006 required the Central Government to specify the Rules on the manner in which the election to the Council is required to be conducted. Accordingly, the Central Government made the Chartered Accountants (Election to the Council) Rules, 2006 and brought the same into force effective from 5th September, 2006.

2. Rule 16 of the Chartered Accountants (Election to the Council) Rules, 2006 requires the Council of the Institute to frame and issue a Election Code of Conduct for maintaining a healthy and peaceful atmosphere during the election process for ensuring a free and fair election. Accordingly, the Council of the Institute framed the Election Code of Conduct containing instructions/norms/prohibitions as enclosed for the forthcoming election to be held on 15th and 16th December, 2006. The Election Code of Conduct shall be applicable to all candidates and their authorized representatives for the election to the twentieth Council and nineteenth Regional Councils. This Code shall come into force from 14th September, 2006 and remain in operation till the conclusion of the election process i.e., declaration of results of the election on 11th January, 2007.

3. It should be appreciated that compliance with the above Election Code of Conduct would not only meet the expectations of the members of the profession and the society at large, but would also avoid basis for allegation(s) on violation of provisions of the Chartered Accountants (Election to the Council) Rules, 2006 and the Chartered Accountants Regulations, 1988. It should be noted in this regard that the Election Code of Conduct is deemed to be a guideline of the Council under item (1) of Part II of the Second Schedule to the Chartered Accountants Act, 1949 (as amended by the Chartered Accountants (Amendment) Act, 2006) and is therefore obligatory for each candidate and his authorized representative to comply with the Election Code of Conduct framed by the Council.

4. An extract of the relevant provisions of Rules 16 and 42 of the Chartered Accountants (Election to the Council) Rules, 2006 specified by the Central Government, on the conduct of the candidates and their authorized representatives, as aforementioned, as expected thereunder, in connection with the election, is enclosed herewith for your ready reference.

Yours faithfully,

Sd/-
